The College of Education offers teacher education programs that lead to certification as well as non-certification programs in graduate study. Offerings reflect a flexible program of current curricula, educational plans, and requirements, which may be altered as warranted by changes in the professions and accrediting agencies. As regulating agencies (e.g., Alabama State Department of Education, CAEP, CACREP, and CORE) modify standards and expectations, programs may be modified during a candidate’s period of study. At such time, candidates may be subject to revised program or certification requirements. The purpose of all College of Education graduate programs is to develop innovative, informed, reflective, global, and effective decision makers.

Accreditation

- **Council for Accreditation of Counseling and Related Educational Programs (CACREP)**
The Master of Science in Counseling and Psychology degree programs in Community Counseling and Clinical Mental Health Counseling offered at the Phenix City campus are accredited by CACREP. The Master of Science in Counseling and Psychology degree program in Community Counseling offered at the Dothan and Montgomery campuses are accredited by CACREP. The Master of Science in Counseling and Psychology degree programs in Clinical Mental Health Counseling offered at Pensacola, Panama City, Orlando, Tampa, Ft. Walton, FL, and Troy are accredited by CACREP. The Master of Science in Education degree programs in School Counseling offered at the Dothan, Montgomery, Phenix City, and Troy campuses are accredited by CACREP.

- **Council on Rehabilitation Education (CORE)**
The Master of Science degree programs in Rehabilitation Counseling offered at the Dothan, Montgomery, Phenix City and Troy campuses are accredited by CORE. The CORE accreditation includes all campuses under one accreditation.

- **Council for the Accreditation of Educator Preparation (CAEP)**
The Educator Preparation Provider (EPP) at the Troy, Dothan, Montgomery, and Phenix City campuses is accredited by the Council for the Accreditation of Educator Preparation (CAEP). This accreditation covers initial teacher preparation and advanced education preparation programs. CAEP is recognized by the US Department of Education and the Council for Higher Education Accreditation to accredit programs for the preparation of teachers and other professional school personnel.

**Teacher Certification**

All teacher education certification programs are approved by the Alabama State Department of Education. Students seeking teacher certification should refer to the specific program for eligibility and program completion requirements. Only those students who are properly admitted to an approved teacher certification program and complete all current requirements will be recommended for certification. The purpose of all certification programs in the College of Educa-
tion is to develop practicing master teachers, instructional support personnel, and education specialists who more effectively serve students in P-12 settings. As master teachers, instructional support personnel, and education specialists, they participate as leaders in their schools and contribute to their profession.

College of Education students in Troy Global Campus must meet all specialized accreditation requirements to be classified as graduates of specialized accredited programs (CAEP, CACREP and CORE). Up to 12 hours of coursework completed at a site/university without appropriate specialized accreditation may be considered for application toward program completion. See TRANSFER CREDIT section for additional information.

Certification in Alabama

Candidates completing an approved teacher certification program are eligible to apply for the Alabama Class A professional certificate, provided they meet the following:

- For Class A program completion, a minimum GPA of 3.25 overall is required for candidates unconditionally admitted to a program.
- For Class AA program completion, a minimum GPA of 3.5 overall is required for candidates unconditionally admitted.
- A grade of “C” or better in all coursework which applies to certification.
- A grade of “B” or better in the research requirements for the program.
- Any “D” earned in a teaching field course must be successfully repeated with a grade of “C” or better.
- Successful completion of the Praxis II examination in all areas of initial certification.
- Successful completion of internship in all areas of initial certification
- All teacher candidates seeking initial certification in the state of Alabama must achieve a passing score, set by the Alabama State Department of Education, on the Teacher Performance Assessment edTPA.

Any candidate who applies for a professional certificate is subject to all regulations set forth by the Alabama State Department of Education. These regulations may include a comprehensive background check, verification of appropriate experience, and prior certification specific to the certification sought. Additional requirements (e.g., standardized examinations to demonstrate content mastery) may be added as the Alabama State Board of Education and other accrediting agencies modify regulations. Candidates should consult their education adviser for details.

Only candidates properly admitted to an approved certification program and who successfully fulfill all program and certification requirements will be recommended for certification. The Certification Officer, appointed by the Dean of the College of Education, is the only Troy University official authorized to recommend candidates for certification in any state.

Certification in Other States

Other states may grant professional certification to candidates completing the Troy University teacher education program. Some states may have additional requirements. Candidates seeking certification in other states should contact the appropriate State Department of Education.

Only candidates properly admitted to an approved certification program and who successfully fulfill all program and certification requirements will be recommended for certification. The Certification Officer, appointed by the Dean of the College of Education, is the only Troy University official authorized to recommend candidates for certification in any state.

Fingerprinting Requirement

Any candidate applying for admission to a State-approved program is required to be fingerprinted for a criminal history background check through the Alabama State Department of Education to the Alabama Bureau of Investigation (ABI) and the Federal Bureau of Investigation (FBI) pursuant to Act 2002-457. Fingerprinting must be done prior to conducting observations in P-12 schools.

Admission Requirements for College of Education

Unconditional admission to the Graduate School does not constitute unconditional admission to specific programs in the College of Education. Students seeking advanced degrees in the College of Education should refer to the admission requirements specific to the degree program.

Transfer Credit

A maximum of four courses (12 semester hours) taken at another regionally accredited institution each with a grade of “B” or better within eight years of graduation may be considered for application toward the degree. These courses must be comparable in catalog description to Troy University courses in the specific degree program and must be approved by the appropriate department chair and dean. If the Troy program holds specialized accreditation, all courses taken at other sites/institutions will be reviewed to ensure that they are eligible for credit under specialized accreditation requirements.

Degree Requirements

Successful completion of the courses listed under each program area with an overall grade point average of 3.0 on a 4.0 scale is necessary to fulfill requirements for the degree. If the student makes a “D” or “F” in a core course, the course must be retaken. If the student makes a “D” or “F” in an elective course, the course may be retaken or another elective may be taken in its place.

Program Completion Requirements

All graduate programs require successful completion of specific end-of-program assessments. These assessments may include, but are not limited to, written comprehensive examinations, a portfolio, a thesis, a field project, and standardized examinations.

Statement of Guarantee for New Educators

Candidates who are recommended by Troy University for Alabama State Teacher Certification or other school personnel certification shall be granted remediation at no cost if:

1. Teaching or have employment in-field and at level of the awarded certificate;
2. Not meeting minimum criteria using the State evaluation system or state approved system evaluation;
3. Remediation is requested within two years of the valid date of the Professional Educator certificate, issued based on recommendation by the unit.

In no case shall the unit be required to provide remediation for more than the first two years of employment.

MASTER OF SCIENCE IN EDUCATION (M.S.Ed.)

ALTERNATIVE FIFTH-YEAR CERTIFICATION PROGRAM FOR TEACHERS

Students should consult the General Regulations section of the Graduate Catalog for additional information regarding Graduate School admission requirements, transfer credit, and other critical policies and procedures.

Purpose
The purpose of the Alternative Fifth-Year Program is to provide initial teacher certification programs for individuals holding a baccalaureate level degree in a field other than education or those desiring initial certification in a new teaching field. Candidates shall have acquired knowledge and skill above the level required for the completion of the baccalaureate program in the same discipline, including subject matter knowledge, student development, diversity, instructional strategies, classroom management and learning environment, communication, planning, assessment, professionalism, and collaboration.

The College of Education adopted the model standards for beginning teacher licensure developed by the Interstate New Teacher Assessment and Support Consortium (INTASC) in 2013. These standards are applied throughout the Alternative-Fifth-Year Program.

Troy Global Campus College of Education students must meet all specialized accreditation requirements to be classified as graduates of specialized accredited programs (CAEP, CACREP, and CORE). Up to 12 hours of course work completed at a site/university without the appropriate specialized accreditation may be considered for application toward program completion. See Transfer Credit section for additional information.

Admission Requirements for Alternative Fifth-Year Program for Teachers

Prior to applying for admission to the Graduate School and the Master of Science Alternative Fifth-Year certification program, individuals must possess a baccalaureate degree from a regionally accredited institution with a posted minimum cumulative/overall graduating grade point average of 2.75 on the official baccalaureate transcript from the degree granting institution. (Note: A student who does not meet the 2.75 GPA requirement but has at least a 2.5 can be unconditionally admitted provided they pass the appropriate content knowledge praxis with an alternate score.) A 3.0 GPA is required on a master’s or higher degree transcript from the degree granting institution. (Students will not be permitted to use additional undergraduate or post degree courses to raise their grade point average.) Effective July 1, 2017 and thereafter, a candidate must earn credit for an ALSDE approved diversity course at the Class A level, if they earned credit for a survey of special education course prior to Unconditional Admission (GTEP).

All education courses require clinical field experiences beyond class time. Candidates are required to attend an orientation prior to beginning clinical field experiences. Within the first week of class requiring a clinical field experience, students must provide evidence of background and fingerprint clearance application and evidence of current professional liability coverage, or the student will be dropped from the class.

Admission Status Classification

In order to establish admission status, an individual must be evaluated by the College of Education and the discipline of study to determine prerequisites. Prior to seeking admission to the Graduate School, individuals should make an appointment with the Teacher Education office on the respective campus to have all undergraduate transcript(s) reviewed by the Certification Officer/Alternative-A Evaluation Coordinator. Individuals must bring an official copy of all undergraduate transcripts to the session. The evaluation process may take up to one week to complete.

Note: An individual’s admission to the Graduate School will be determined by the transcript(s) evaluation. Individuals will be classified as a post-baccalaureate student until they have completed all prerequisites.

In addition to completing the undergraduate prerequisite coursework, students should also be working to meet admission criteria for the Graduate Teacher Education Program.

Admission Requirements to the Teacher Education Program (GTEP)

Admission to the Graduate School does not automatically qualify a student for admission to the Graduate Teacher Education Program. Written application to the Graduate Teacher Education Program is required from all students seeking acceptance. In addition to the written application, the following are also required:

1. A grade of “C” or better in the two English composition courses.
2. A grade of “C” or better in mathematics courses completed for the baccalaureate degree that is equivalent to the required general studies courses for the teacher education major. If equivalent courses were not completed at the baccalaureate level, these must be completed as prerequisites.

3. A minimum cumulative/overall graduating grade point average of 2.75 on the baccalaureate transcript. *Must earn a grade of “B” or better.

4. Evidence of current professional liability coverage of established amount.

**There is no Conditional Admission for this program.**

Students working to complete pre-admission requirements for the Graduate Teacher Education Program are encouraged to work closely with their discipline adviser. This individual will assist in course selection and course sequencing for completion of these requirements.

Information regarding qualification and acceptance into the Graduate Teacher Education Program can also be obtained through the Teacher Education Office on the respective campus.

**Internship**

Locations: Dothan, Montgomery, Phenix City, Troy

The Rehabilitation Counseling program at Troy University is fully accredited by the Council on Rehabilitation Education (CORE) through 2017 (www.core-rehab.org). Students are admitted each semester. Those interested in applying should complete an application at www.troy.edu/admissions. The Rehabilitation Counseling program was awarded the RSA Long Term Training Grant in 2005, 2010, and again in 2015. This grant makes scholarships available to Rehabilitation Counseling students who intend to work in a nonprofit rehabilitation setting. Any student interested in applying for the scholarship should contact his or her advisor for an application and further details on the scholarship.

Student outcomes are evaluated using common assignments in all required courses. In addition, students must complete a program midpoint evaluation and a final dispositions evaluation during their last internship. All student outcome evaluations are based on CORE standards and data is collected using LiveText. Students must also successfully pass a comprehensive exam prior to graduation. Students enrolled in the rehabilitation counseling program can opt to take the CPCE or CRC exam for their comprehensive exam.

The Rehabilitation Counseling program is offered on the Dothan, Montgomery, Phenix City and Troy campuses. There are six faculty members who are Certified Rehabilitation Counselors (CRC). As of Spring 2013, Troy University has 87 students (full and part time students combined) on the four campuses. Approximately 84% of the students are from underrepresented groups, including those with disabilities. In 2012, a total of 16 students graduated from the program. These graduates work in a variety of settings including state rehabilitation agencies (Alabama, Florida, and Georgia), the VA, and community rehabilitation programs.

Further information regarding enrollment, retention, graduation rate, and employment of students can be obtained from the program coordinator. In addition, Troy University publishes the Fact Book annually which gives enrollment and graduation rates for all programs at the university.

Mission Statement:
The mission of the Troy University Rehabilitation Counseling program is to prepare rehabilitation counselors to provide rehabilitation services designed to assist individuals with disabilities to achieve their maximum potential. In addition, services will be provided to rehabilitation agencies and programs, and research related to rehabilitation will be pursued. Upon graduation, students will have the basic foundational knowledge, skill and experiences necessary to enter the profession of rehabilitation counseling and practice as rehabilitation counselors.

Objectives for Rehabilitation Counseling:
